

**Workgroup Updates for eHealth Commission
May 8, 2019**

Roadmap Initiative	Harmonize and Advance Data Sharing and Health Information Exchange Capabilities Across Colorado
Initiative Description	Develop and implement approaches to harmonize data sharing capabilities, increase the rate of health information sharing, and advance health information exchange across Colorado.
Project Scope	Define scope of work and timelines for available and approved funding for the Advance Health Information Exchange Initiative to enhance and harmonize HIE infrastructure among Colorado's regional health information exchange organizations - CORHIO and QHN. Prior to this phase, an HIE advancement survey was released to inform HIE priorities and solicit eHealth Commission input to enhance “meat and potatoes” of health information.
Accomplishments	<ol style="list-style-type: none"> 1. Defining PM approach between CORHIO and QHN 2. Developed project submission process for requesting new projects
Current Efforts	<ol style="list-style-type: none"> 1. Planning for project implementation 2. Revisit remaining priority projects and decide what to submit for 2021
Key Decisions	Tentative project start date October/November 2019
Next Steps	<ul style="list-style-type: none"> • Obtain fully executed Interagency Agreement with OIT and finalize SOW • Obtain CMS approval on Interagency Agreement
Commission Need	<ul style="list-style-type: none"> • None currently
