SIM HIT ROADMAP ALIGNMENT

AKO QUAMMIE, SIM

SIM GOAL

Improving access to integrated physical and behavioral health services in coordinated community systems, with value-based payment structures, for 80% of Colorado residents by 2019.

SIM TRIPLE AIM

Better Experience of Care

Access to integrated care for 80% of Coloradans; Improvements in 18 clinical quality measures

Lower Cost

\$126.6 million in cost of care savings by 2019; \$85 million in annual savings thereafter

Improved Population Health

Improvements in 12 areas of physical and behavioral health

PRIMARY DRIVER

All drivers support each element of the triple aim

Payment Reform

Develop and implement value-based payment models that incent integration and improve quality of care

Practice Transformation

Support practices as they accept new payment models and integrate behavioral and physical health care

Population Health

Engage communities to reduce stigma, promote prevention, and remove barriers to accessing care

Health Information Technology

Promote the secure and efficient use of technology across health and non-health sectors in order to advance integration
