IAPD UPDATE

KIM DAVIS-ALLEN
HEALTHTECH SOLUTIONS

OVERVIEW

- Planning and Implementation

  - Annual Updates

- Governs the procedure by which States obtain approval for Federal Financial Participation (FFP)

- CMS provides 100 percent FFP to states for incentive payments to eligible Medicaid providers to adopt, implement, upgrade, and meaningfully use certified EHR technology

- Funding to support the Medicaid EHR Incentive Program was authorized by the American Recovery and Reinvestment Act of 2009 (ARRA) at the 90 percent match FFP rate through 2021.

  - State Medicaid Director (SMD) Letters #11-004, #10-016 and #16-003 authorized states to request 90/10 HITECH administrative funding for a wide range of HIE activities that support providers' adoption and meaningful use of EHRs.

FFP (90/10 FUNDING FOR HIT)

- Funding Available for:
    - System Costs
    - Communication and Outreach
    - Business Processes
    - Human Capital

- States responsible for providing the 10% State match

- All projects must support Meaningful Use

- Funding requested should only include design, development, and implementation of technologies or programs that support Medicaid

- HITECH funding not available for maintenance and operations after the implementation phase is completed
