CARE COORDINATION

CARRIE PAYKOC, OEHI
CARA BRADBURY, OEHI

IDENTIFY, UNDERSTAND, AND PRIORITIZE LEVERAGE POINTS THAT CAN BE ADDRESSED BY A VARIETY OF SOLUTIONS DESIGNED TO SUPPORT WHOLE PERSON CARE BY FACILITATING THE CONNECTION OF INDIVIDUALS TO NEEDED RESOURCES ACROSS COLORADO COMMUNITIES USING HEALTH IT INFRASTRUCTURE AND DATA SHARING.

Social-Health Information Exchange

- \$3M is not enough funding
- Need more clarity on the funding strategy
- Need to minimize duplicative efforts
- Success will be inhibited by community-based organization capacity
- Alignment with problems the State is focused on for more affordable, accessible, and efficient care.

- Increase Care Coordination Funding to \$5-6 Million
- Investment Areas
 1. Technology Infrastructure (Core Components)
 2. Community Practice
 3. Change Management
 4. Incentive Payments (Community-based Services) - Currently UNFUNDED
 5. Data Governance
- Timeline
 - Design phase (4-6 Months)
 - Application Design
 - CMS Review Period
 - Application Period
 - Review Period
 - Grant Period (2 Years)

TECHNOLOGY COMPONENTS

Funding for core components will target the enhancement of existing technology tools and infrastructure

Screening and Assessment

- SDOH screening protocols and tools
- SDOH screening integration into workflows

Referral Pathways

- Community resource inventory
- Closed loop eReferrals

Care Coordination

- Case management platform(s)
- Data sharing with consent management

Information Exchange and Interoperability

- Data exchange schema and standards (HTP, JAI, eCQM)
- Data warehousing and security
- Data analytics
- HIE Connection(s)

NON-TECH COMPONENTS

Community Practices

- On-going Convening
- Project management
- Tracking and evaluation
- Development of MOUs/ data sharing agreements/ ROIs
- Consumer engagement activities

Change Management

- Documentation of lessons learned
- Cross-site convening
- Guidance documents, webinars, technical assistance
- Financial modeling and planning

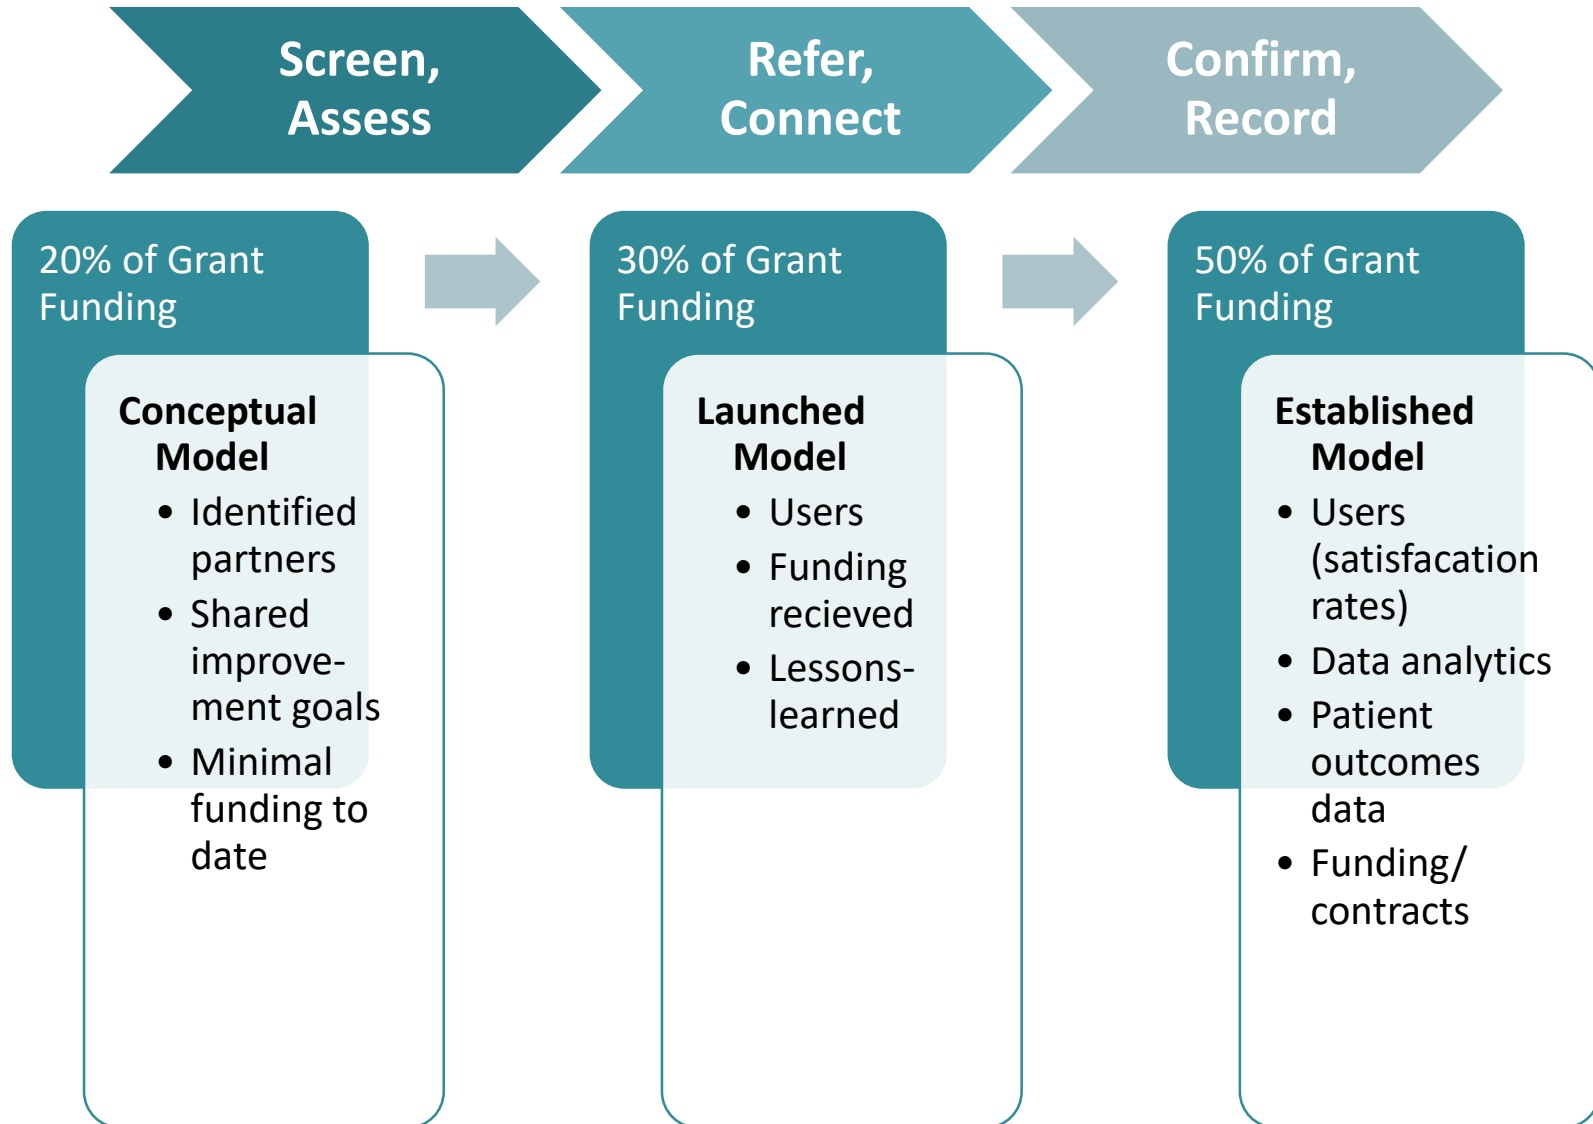

Data Governance

- Legal framework(s)
- Technical assistance
- Coordination of local communities efforts and state efforts

Incentive Payments - Unfunded

- Community-based services

FUNDING ALLOCATIONS

FUNDING ALLOCATIONS

- 40-50% of funding will be allocated to urban
- 50-60% of funding will be allocated to rural/frontier

FUNDING ALLOCATIONS

Target Improvement Areas

Tier 1	<ul style="list-style-type: none">• Improved maternal/child health outcomes• Coordination for mental health services/ suicide prevention• Increased food security
Tier 2	<ul style="list-style-type: none">• Decreased homelessness/ housing instability• Coordination for aging services and planning• Reduced recidivism rates in criminal justice system• Opioid Abuse Prevention
Tier 3	<ul style="list-style-type: none">• Other state priority

FUNDING ALLOCATIONS

- **Interoperability Requirement** - OeHI will limit the allocation of funds to projects that can demonstrated data sharing with state Health Information Exchanges and align with JAI efforts. Data sharing must meaningfully contribute to the overall ability for effective reporting and data analysis of care coordination activities.
- **Ideal Types of Lead Organizations** - OeHI will limit the allocation of funds to applicants that meet HITECH requirements. Lead organizations will be responsible for grant reporting and must demonstrate strong local partnerships and experience with successful community engagement and technology projects.

SUSTAINABILITY

- State Infrastructure - State funding will support HIE components and interoperability. MMIS funding will be evaluated to sustain information exchange and interoperability functionality across communities.
- Local Infrastructure - Grant funding is intended to help communities adopt core SHIE components and demonstrate value that leads to new, diverse sources of funding.
