HEALTH IT ROADMAP

HITECH FUNDING AND SUSTAINABILITY FUNDING OPPORTUNITIES WITH CMS

MICAH JONES, HEALTH CARE POLICY AND FINANCE

BACKGROUND

- HITECH – Legislative Act from 2009 that provides for federal funding at a 90/10 match rate for approved projects
  - HITECH Implementation Advanced Planning Document (IAPD) outlines the projects for which the state is seeking 90/10 funding
  - Several of Colorado's Health IT Roadmap projects are funded through the IAPD

- State Budgets – OeHI and/or HCPF state appropriated budget that is used to "match" the HITECH funding or used to fund projects directly

- HITECH HIE funding legislatively expires September 30, 2021

- Some projects may be continued under Medicaid MMIS IAPD funding
  - Applicability of the MITA Framework – required for enhanced Federal funding

SUSTAINABILITY PLANNING WORK

- Support sustainability of current and future projects
- Identification of HITECH funded projects with DDI or M&O timelines past September 30, 2021
- Identification of new projects based on HCPF and OeHI priorities
- Evaluate how projects support and advance the objectives of the *Medicaid Program* within the MMIS Business Processes (i.e., MITA Business Areas)
- Map projects/activities to the relevant MITA Business Areas
- Development of outcome-based metrics to support CMS certification requirements for M&O
- Budget considerations
  - State/federal match rates
  - Cost allocation
  - Timeline/transition of projects to different funding streams
