## eHealth Commission October 2021- Health IT Roadmap Workgroup Highlights and Decision Items

# OeHI

Office of eHealth Innovation

Roadmap Initiative	FY21 Goal	Chair	Initiative Highlights	eHealth Commission Ask
<b>Digital Health Equity</b>	Establish a digital health equity definition, approach, and strategy.	Kaakpema "KP" Yelapaala, eHealth Commissioner	<p>KP and OeHI's Director have been meeting and working on an outline for digital health equity that includes definitions, approaches, and strategies. KP is now the Co-Chair of the Advancing HIE WG and focused on what data, insights, and information is available to inform our strategy.</p> <p>Colorado University School of Public Affairs graduate students are working with OeHI on a baseline.</p>	Request to present at an upcoming Commission.
<u><a href="#">Care Coordination</a></u>	Establish Social Health Information Exchange (S-HIE) infrastructure and increase screenings and referrals for social and behavioral needs through	Camille Harding, eHealth Commission Representative	The implementation projects contracted with CORHIO, QHN, and CCMCN are wrapping up. CORHIO's contract has been extended to 12/31/21. OeHI is launching requirements gathering with Public Knowledge to start around 11/18/21; and have offered bridge contracts to all parties to support continued implementations.	Request to present at an upcoming Commission.

	<p>regional demonstration projects.</p>		<p>Colorado Health Institute (CHI) and OeHI have facilitated a follow up conversation with QHN, CORHIO, and CCMCN and State partners using the Care Coordination Information Governance Workgroup structure to continue moving interoperability conversations forward. Our partners have worked on interoperability planning and CCMCN has taken the leadership position to draft an Architectural Plan. It was presented to the Care Coordination Governance Task Force and will be presented to the eHealth Commission soon.</p>	
<p><a href="#">Telehealth/</a> <a href="#">Broadband</a></p>	<p>Complete telemed projects to inform longer term approaches and infrastructure strategy.</p> <p>Complete telehealth evaluations and learning collaboratives to inform longer term approaches and infrastructure.</p>	<p>Rachel Dixon, eHealth Commissioner</p>	<p>OeHI is revising the contract extension for the continuation of the Regional Telehealth Learning Collaborative work with Prime Health. This will provide additional time to implement recommendations in support of OeHI's wildly important goals.</p> <p>HB21-1289 OeHI is working with the Broadband Office on how these funds will be used, and will most likely have grant programs available for rural providers that need to upgrade network connections within their facilities, and to purchase devices that can be used for telehealth</p>	<p>Request to present at an upcoming Commission.</p>

<p><a href="#"><u>Identity for Individuals and Providers</u></a></p>	<p>Implement Phase 2 of Identity Resolution Project to modernize SIDMOD (Current State MDM)</p> <p>Continue to support the COVID emergency response and symptom tracking</p> <p>Leverage CORHIO ID for state contact tracing</p>	<p>eHealth Commission Chair Needed</p>	<p>Amendment to CORHIO Contractor for securing Verato ID Match through Sept 2022 has been executed through OeHI/HCPF/OIT. This extended contract will pave the way for implementing the Verato Enrichment service and ensure the continued transfer of Immunization data to HCPF for the Medicaid Population.</p> <p>Data Use Agreements are being developed for sharing the Immunization data within CDPHE to CORHIO, QHN, and CCMCN. The data transfer between CDPHE and the external organizations will leverage the Identity Cross-Reference (IDXR) service built by OeHI. Adding the external systems to IDXR will greatly expand the number of individual identities managed by OIT/OeHI, improving the quality of the resolutions.</p> <p>The connection between OIT and CORHIO has been developed by OIT and is currently in the OIT test environment waiting for CORHIO to establish connectivity. The contract amendment mentioned above will enable this work as well. Once this API connectivity is established, the amount of human</p>	<p>Request for OeHI/OIT and CORHIO to present at an upcoming Commission.</p>

			processing involved in managing the cross-referenced identity will be greatly reduced.	
<p><a href="#"><u>Consent Management</u></a></p>	<p>Develop and implement a statewide approach to consent management that aligns and harmonizes the consents required for health information sharing in Colorado</p> <p>Mental Health Center of Denver and MyColorado integration</p>	<p>Wes Williams, eHealth Commissioner</p>	<p>The workgroup is exploring options for consent models and discussing both tech and policy work planned and in-flight.</p> <p><b>Tech Focus:</b></p> <p>In collaboration with Colorado Digital Services, OeHI is exploring the possibility of building a developer sandbox (Developer.colorado.gov) open for entities to provide ideas to keep working through potential solutions. This would focus on digitizing processes which already exist on paper.</p> <p><b>Policy Focus:</b></p> <p>This month, the AZ Current team presented to the workgroup on their model for behavioral health information integration into the HIE. It was an engaging and fruitful discussion.</p> <p>Next Month: OeHI has engaged the Colorado Health Institute to complete a nationwide environmental scan and</p>	<p>Request to present at an upcoming Commission.</p>

Office of eHealth Innovation

			<p>prepare Colorado-specific recommendations for a consent model. OeHI and CHI will facilitate a discussion on these findings to help determine the next steps for the Workgroup.</p> <p>The workgroup continues to await a notice of proposed rulemaking from SAMHSA regarding the changes to 42 CFR Part 2 legislation. The timeline for this is unknown.</p>	
<p><a href="#"><u>Data/Information Governance</u></a></p>	<p>To advance data and information governance efforts in support of state priorities.</p> <p>Use Cases:</p> <ol style="list-style-type: none"> <li>1) Behavioral Health</li> <li>2) Care Coordination</li> <li>3) Identity Resolution</li> <li>4) eCQM</li> </ol>	<p>Art Davidson, eHealth Commissioner and Amy Bhikha, Chief Data Officer OIT</p>	<p>CHI submitted the latest draft of the Colorado Health Information Governance Guidebook for review. These are currently under review with the Statewide Committee. Next steps include planning discussions with the Chief Data Officer and eHealth Commission workgroup members on the application and use of Roadmap investments.</p> <p>The Statewide Committee is on hold until contracts are executed and the focus is on the implementation of Roadmap recommendations. The Care Coordination Information Governance Task Force also convenes a Technical Subgroup, which is</p>

			Office of Behavioral Health to map out data flows for their key reporting and coordination needs, which will help lay the foundation for the BHA data integration in years to come.	
<b>Colorado's Health IT Roadmap-Refresh</b>	Colorado's Health IT Roadmap is the north star strategy for health IT established in FY18/19. This effort is to refresh the state strategy based on shifting priorities and funding.	Carrie Paykoc, OeHI Director	<p>On Monday, September 27th, we posted the first draft version of the roadmap to OeHI's website for public comment. Public comment will be open until 5 PM MST on October 4th. OeHI and CHI will then review these comments and update the roadmap draft accordingly.</p> <p>OeHI and CHI met with the eHealth Commission planning group on Thursday, 9/30.</p>	Please review the FINAL version and be prepared for the Commission Vote on October 13th.
<b>Consumer Engagement and Patient Access to Health Information</b>	Develop and implement tools to educate, engage, and empower consumers in their health and well-being	Sophia Gin, eHealth Commissioner	<p><b>Initiative deprioritized and funding reallocated by the eHealth Commission, 04/2020.</b></p> <p>Themes from Consumer Engagement RFI were provided to Prime Health for their Innovation Challenge and OeHI shifted funds to support telemedicine response which includes launching a consumer website Health at Home.</p>	Include Sophia Gin in planning discussions with HIEs and/or set up a regular touch-point with OeHI Director.
